13) For new patient, patient ID generated automatically:

14) At patient login: Patient can log in using patient id created by the doctor and also can buy medicines or find a new doctor.

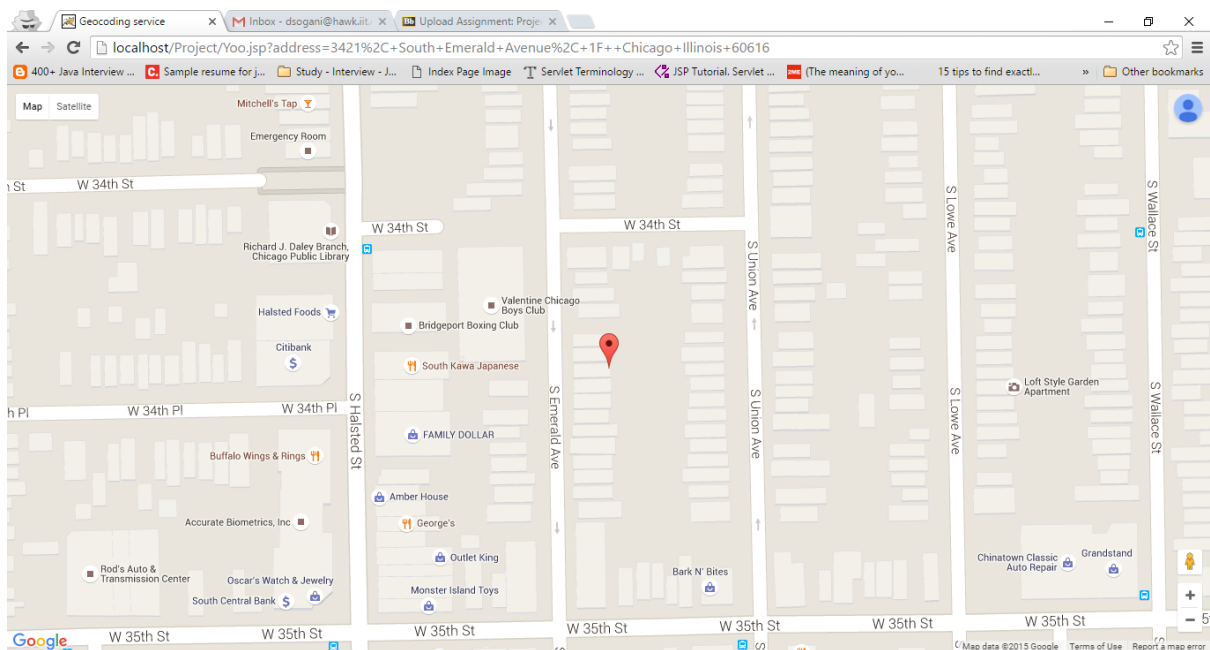

15) Maps included with the option for the patient to locate the location of the doctor using Maps.

The screenshot shows a web browser window with the address bar displaying 'localhost/Project/Doctor.jsp'. The page has a light gray background with a teal header on the left containing the text 'ABOUT US' and 'We are your partner for health, helping you live well by bringing the best in healthcare to your door.' To the right of the header is a photo of a female doctor in a white coat. Below the header, there is a form with the following fields: 'First Name:' with the value 'Shaleen', 'Last Name:' with the value 'Jain', 'Speciality:' with the value 'Dentist', 'Address:' with the value 'sdhjsajd sdhgya Chicago Illinois 60616', and 'Contact:' with the value '789846512'. At the bottom of the form are three buttons: 'FeedBack' (in red), 'Locate Me' (in gray), and 'View FeedBack' (in red). Below the form is another photo of the same female doctor.

16) Location shared and map generated for the patient to locate the address of the doctor.

17) User logged in: Able to view all the prescriptions:

The screenshot shows a web browser window with the URL `localhost/Project/FetchPatientDetails?PID=P1&flagForPatient=1`. The page features a header with the text "PATIENT RECORDS" over a blue background with code snippets. Below the header is a table containing patient details:

ID : P1	First Name : Mayuresh	Last Name : Jakhotia
Age : 32	DOB : 1994-01-10	Gender : Male

Below the table, the section "Past Prescriptions :" lists three dates:

1. [12/07/2015](#)
2. [12/09/2015](#)
3. [12/06/2015](#)

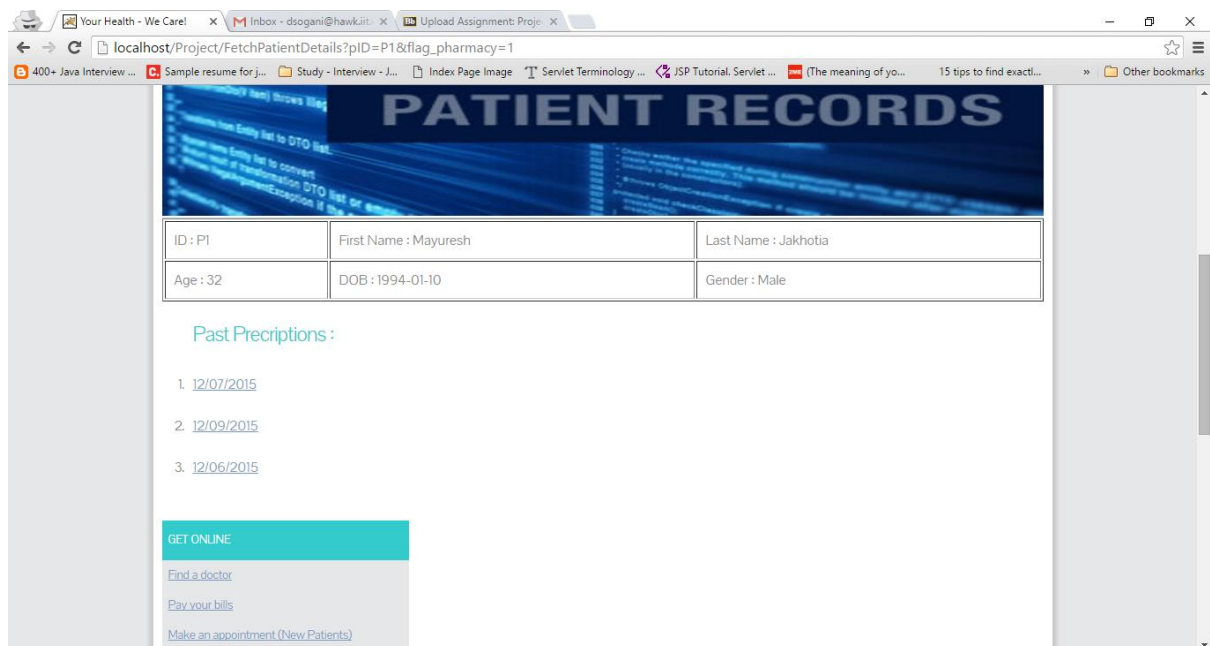

At the bottom, there is a teal button labeled "GET ONLINE" and two links: "Find a doctor" and "Medicine".

18) Patient does not have the ability to modify his own prescription:

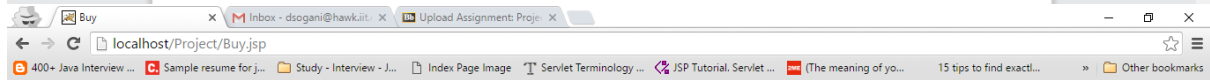

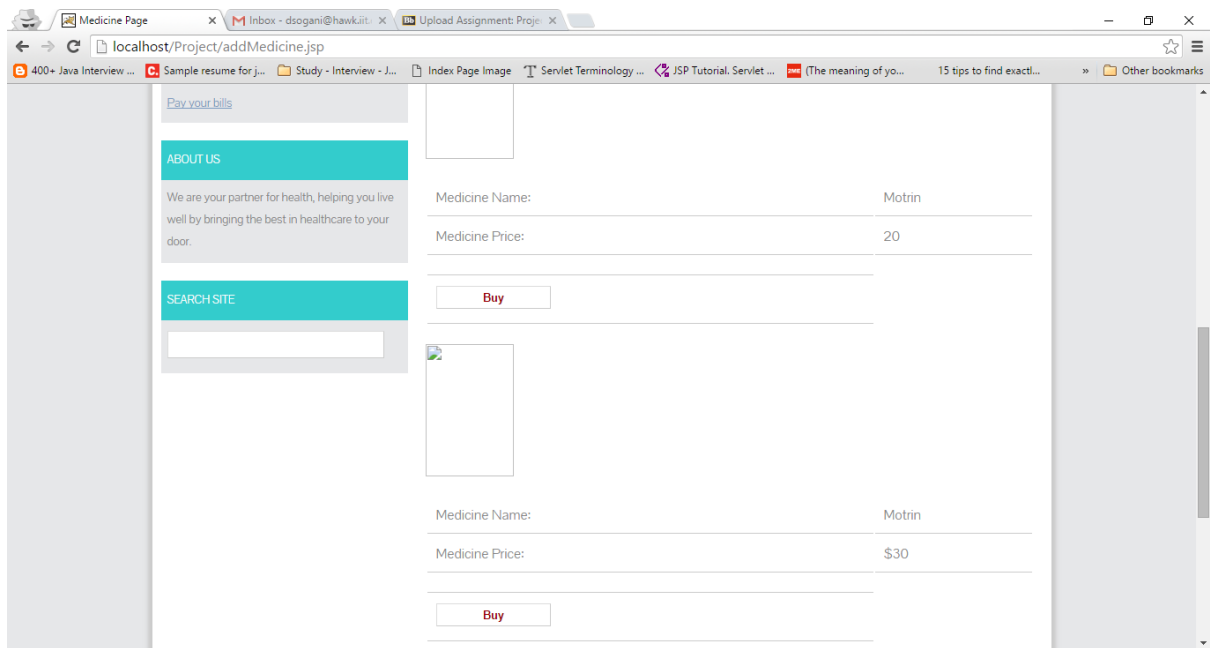

The screenshot shows a web browser window with the URL `localhost/Project/FetchPatientPrescriptions?PrescriptionDate=12/06/2015`. The page displays a form titled "Patient Prescription:" with the following details:

Member ID :	P1
